SM400

SM200 120dB Heavy-Duty Motor Siren

- Excellent durability and high volume are suitable for noisy environment
- Motor RPM : 7,200RPM
- Materials : Steel/Al
- Ambient operation temperature : -25°C to +50°C
- Housing standard color : Red
- Insulation resistance : 100MΩ(at 500 VDC)
- Certificates : CE Compliant

Specifications

Model number	Volume	Voltage	Current	Certificates	Weight	Rated time
SM200	120dB	DC24V	7.820A	 DC24V only	2.19kg	10 min
		AC110V	2.850A		2.55kg	
		AC220V	1.600A		2.55kg
